+91 96650 28527

COA Registration No.: CA / 2015 / 66623

PROFILE

As an architect and environmental planner, I believe that there is immense responsibility of how architecture and environment could be connected through design which can add value to the design. With this belief ***I look forward to pursue a teaching-research-practice oriented profession as it commands a constant reassessment of new knowledge and would therefore allow me to learn, explore and grow continuously in the process.*** I am applying to your organization, as it allows me to develop my skills and follow my passion.
