

PROFILE

ANNEXURE A

The firm **Prasanna Desai** consists of enterprising architects capable of handling projects in Interiors, Architecture, Urban and Landscape Planning with competence and speed. Contextually responsive design concepts from our hallmark, thanks to the work-experience with renowned architect **Mr. A.P.Kanvinde** and an exposure to the **architectural trends in Delhi for 18 formative years of academic and professional life.**

We have won **eight National Architectural Design competitions**, comprising 4 Commercial Complexes, 1 Fruit and Vegetable Market Complex, 1 Exhibition Pavilion, 1 Exhibition Ground Complex and 1 Housing Design competition, all of which speak for the comprehensive synthesis of interior, architecture, urban design and landscape planning that we specialize in.

We stood first in a national competition for a commercial complex, spread over 12 acres and costing Rs. 30 crore, the prize for which was presented to us by the then vice-president of India Mr. S. D. Sharma. Another success was the Nehru Place Commercial Complex for Jaipur Development authority, awarded to us through a national competition and inaugurated by the then Chief Minister of Rajasthan Mr. H. D. Joshi. Our award-winning housing scheme for CIDCO was executed at New Bombay and later recognised by way of the '**J K Architect of The Year Award**' in 1993, as the **best housing in India.**

In the last two decades the office is involved with city up gradation projects such as the **Urban Design of the Pune BRTS - Pilot Project (for UMTC New Delhi & PMC – 108 Cr) , Slum Up gradation Projects under BSUP – JNNURM on seven sites in Pune (for SPARC , CHF & PMC, 750 Dwelling Units, 30cr)** where in the office is working out a strategy for rehabilitation of the slum in the existing urban fabric.

In April 2010 Ar. Prasanna Desai took a big lead in analyzing the current DMRC Metro report for Pune & presenting the **Impact of the proposed over head metro on the urban fabric of the city** to the decision makers & citizens and formulation of the Pune Technical Collation (PTC) a consortium of 21 technical organizations & schools of architecture from Pune.

Development of Street Designs for J.M. Road, F.C. Road, ITI Road & Range Hill Road in Pune have been some of the Initiatives taken by the office with Elected Representatives, Citizens & Authorities in upgrading the Quality of Life on the Indian streets.

In 2012 we completed the DPR for Slum Development Bhubaneshwar with USAID (FIRE D) for Bhubaneshwar Municipal Corporation & **Neighborhood up gradation plans** for Satara Municipal Council.

The firms work in Public Domain (www.prasannadesaiarchitects.blogspot.com) BSUP Slum Redevelopment work in Yerwada Pune was selected by Smithsonian's Cooper Hewitt, National Design Museum, New York titled "**Design with Other 90% CITIES**" being displayed at **UN Head Quarters, New York from 15th Oct 2011 to 9th Jan 2012.** The Project has also **featured as the Best Practices - Governance Knowledge Centre Promoted by Department of Administrative Reforms & Public Grievances, Govt of India.** (<http://indiagovernance.gov.in/bestpractices.php?id=1224>) In 2012 the project was awarded the ARCHIDESIGN Best Slum Development Project 2011 given by Foundation for Architectural & Environmental Awareness, New Delhi.

Firm was actively involved as Design Consultant along with SGA New Delhi + UMTC + IL&FS for the "**Implementation of High Quality BRT system in Pune Metropolitan Region**" for 70 Kms in the city of Pune. Upgradation of MHADA colonies with 2.5 FSI & preparation of Slum DPR for Raipur Municipal Corporation with GIZ & CURE New Delhi.

The Firm has been awarded the **First Prize in the HUDCO DESIGN AWARDS 2013** in Category : Cost Effective Rural / Urban Housing including Disaster Resistant Housing & **First Prize in the category Design for Masses _ IIID Anchor Awards 2016** for its **In Situ Slum Rehabilitation Project, Yerwada, Pune for Urban Poor under BSUP, JNNURM & the prestigious JK Cement Architect of the Year Award 2016 for the same project.**

In Public domain work the Firm has been awarded the **Commendation Prize in the HUDCO DESIGN AWARDS 2015** in Category : New and Innovative Town Design Solutions / Eco Cities & **First Prize in the category Design for Masses _ IIID Anchor Awards 2015** for its project DISHA (Demonstration of Integrated Safe Habitable and Affordable solutions for neighbourhood) – ITI Street Redesign & Public Space.

The firm has done ground breaking work in public domain & feels that only people participatory equitable design solutions, can bring in desired long term improvement leading to healthier and socially integrated cities.

The firm (along with IBI) is actively involved with the **Pune SMART City Project** & designing the Urban Neighbourhood in Aundh consisting of 9Kms of streets along with the Urban Place focusing of People Friendly Design. It has also prepared the Pune Bicycle Plan (with I Trans & CEE) for Pune Municipal Corporation and guiding & designing Walkability Project in 13 cities (with SUMNet India supported by SHAKTI Foundation)

Currently the firm is working on 8Kms of street redesigning of streets in Akurdi Pimple Nilakh & Reorganization of Bhosari flyover both for PCMC (Pimpri Chinchawad Municipal Corporation) . The firm is also designing the last mile connectivity for 5 Stations of PUNE MAHA METRO (along with UMTC) & a Children's Traffic Park Bremen Chowk Pune with Pune Municipal Corporation PMC

Prasanna Desai has also been appointed by the **Airport Authority of India** as a **Member of Design Council** to review & finalize the concept / design of new passenger terminals, upgradation / expansion of new terminals of AAI in Pune and Jabalpur Airport.

Also he has been appointed as a member of the **Board of Studies Department: Faculty of Architecture, SPA New Delhi**; Board of Studies Department: Faculty of Architecture, **Mumbai**; Board of Studies Department: Faculty of Architecture, **Hubli University**; **Council of Architecture Review committee chaired by Ar. Bimal Patel.**

Recently he has been appointed as a Global Mentor under **CITIIS** (City Investments To Innovate Integrate & Sustain) programme initiated by **MoHUA** (Ministry of Housing & Urban Affairs) supported by **AFD, EU** & co ordinated by NIUA supporting the **SCM** (Smart Cities Mission) to guide projects of excellence, to build the capacity of the ULB's to implement integrated projects in the cities of **Visakhapatnam** (Social inclusion through modernizing public schools as smart campus) & **Amaravati** (Basic Infrastructure development in low - income settlement in Amravati City)

The firm believes that an Architect who is trained to be a sensitive person needs also to be a aware citizen thus playing a much larger role in the **development of the society** and **contribute considerably** for the betterment of the **quality of built environment** in the cities.

He has been an inspiring teacher & active with academics for past Four decades & is currently the Professor & Director at **P.V.P. College of Architecture, Pune.** He started his teaching career at SPA New Delhi in the Department of Architecture in 1985. He has been the guiding force in establishment of **Forum for Exchange & Excellence in Design FEED**, a unique academic classroom for students & architects in the city of Pune.

" Designing Beyond the Boundary with People Participatory Approach. "
