

SAURABH AGASHE

Public Health, Solid Waste Management and Sanitation Planning Expert

ABOUT SAURABH

Saurabh is trained as an architect and urban planner. He is born and brought up in Pune. In 2008, after completing his masters from School of Planning and Architecture, New Delhi, he travelled to Africa, Middle East and in India for work. After gaining an international experience Saurabh started his own consultancy firm in Pune. As an urban planner his inclination has always been towards improving Public health in urban and rural areas. To do so, he has worked extensively in the areas of Urban and rural sanitation and environment management. He has worked with various government agencies and bodies on sustainable solid and liquid waste management with an active participation in JNNURM and Swachh Bharat Abhiyan. Under Swacch Bharat Mission, Saurabh has successfully implemented Urban Sanitation and Solid Waste management Program in the historic city of Wai, located in western Maharashtra.
