CYCLATHON '19 Saturday 26th January.

CYCLATHON is all about reducing pollution by discouraging use of private vehicles and encouraging use of cycles. The Cyclathon which will be held on the Republic Day starts at the College hostel and ends at he college. Be a part of the event and helps us save environment.

As it is rightly said, **It is by riding a cycle that you learn the contours of a country best since you have to sweat up the hills and coast down them.**

CHIEF GUEST FOR THE DAY

Mr. Rajendra Mahulkar has been an active memeber in multiple water supply projects for over 43 years in different cities like Ahmedabad , Surat, Bombay, Jalgaon, Jalna, Solapur, Gulmarg, Pimpri-Chinchwad and Jaipur. Besides this he also owns the partnership of ENGINEERING AND MANAGEMENT CONSULTANTS, Pune and is the Chief Executive for the same. Also he has been the President of the Rotary Club of Pune Ganeshkhind in 1998-1999, and now is the Dist. Officer of the same.

Mr.Sanjeev Shah is a renowned industrialist. He has worked with NGO known as SARHAD and has been an active part of the rescue operations conducted in Srinagar and Nepal. He is a Trekking and Cycling enthusiast. He has completed treks in Sahayadris as well the Himalayas . He has covered the length and breadth of the country on his cycle.

PLANTATION DAY 2019-20

On the Occasion of Beloved Chairman Shri. Abhay Chhajed's Birthday

The best on earth of man is the tree. When we use the tree respectfully and economically, we have one of the greatest resources on the Earth.

We call upon the faculty, administration staff, students of PVP CoA to participate in plantation of creepers in our own campus. This is an initiative to make our campus GREENER and to create a healthy environment for habitation. Every one who plants a sapling should try and take care of it and make sure that it survives.

"Until you dig a hole , You plant a tree, You water it and make it survive, You haven't done a thing. Let's make this possible

We call upon the faculty, administration staff, students of PVP CoA to participate in plantation of creepers in our own campus. This is an initiative to make our campus greener and to create a healthy environment for habitation. Every one who plants a sapling should try and take care of it and make sure that it survives.

Until you dig a hole, You plant a tree, You water it and make it survive, You haven't done a thing. Let's make this possible.

EXIT 2021 exhibition is a **PLATFORM** that brings the students' academic work of batch 2021 in **PUBLIC DOMAIN** with the purpose of **PLACEMENT**

Virtual EXIT EXHIBITION 2021 - open for the entire Year

EXIT Exhibition is a platform where our students display their work spanning all five academic years in the public domain. Through this platform, students get an opportunity to interact with professionals like Architects, Interior Designers, Landscape Architects, Urban Designers, Planners and Builders/Developers. This exhibition also provides young aspirants exposure into the field of architecture.

In 2020 due to the pandemic, the **EXIT EXHIBITION** went online, continuing and allowing our students the opportunity to display their work to a larger audience cutting across geographical boundaries and for an entire year. In continuation, this year too the **EXIT EXHIBITION 2021** will follow the same pattern.

We cordially invite you all to this exhibition!

**ACARA 2021 Workshop
Linking Past to Future**

A presentation by:
Architectural Design Association of Nippon, Japan

Task:
Observe a space within your selected country, analyze their spatial interventions based on data and experience. What if the past and values of these traditional activities are preserved. How the space will transform in the future. What if the new spaces are designed and created for the community? How should a small scale space address a community approach to build a traditional feel and values embedded in it. The student will create a site plan for the selected site. The site plan will include a site plan, a floor plan, a section, and a perspective drawing.

YOU AND YOUR NEIGHBOURHOOD COMPETITION BRIEF

Supported by:

Organis by:

AIM

Z-axis 2020 aims to drive professionals, not as experts but as facilitators, to develop, design and plan creative solutions within their neighbourhoods for more meaningful engagements with residents.

Through multiple participatory design projects, in neighbourhoods across the world, Z-axis intends to boost public ownership over local planning processes.

PARTICIPATION

The design competition is open to all individuals who are registered for the Z-axis 2020 event.

Registered participants may form teams together, in order to compete in the competition. There is no upper-limit to the number of members in a team.

Online registration (as a team) can be completed on the official website: www.charlescorreafoundation.org/category/z-axis/ from Monday 7 September, up to Monday 28 September, 6:00PM IST.

Upon confirmation, an email with an entry code will be dispatched within a week of completing and submitting the registration form. This code should be used in all correspondence regarding the competition.

COMPETITION PRIZE : 'CRAFTED TROPHIES' by OVOID ATELIER

A. GLIMPSES OF THE BASIC WORKSHOP WITH OVOID ATELIER (Conducted in May 2019)

B. INTENT OF THE ADVANCED WORKSHOP

- To learn the process of Architectural Detailing using TIMBER as a primary construction material considering the Context of Lachung.
- To enable students to use tools for timber construction and fabrication. The students will be given first-hand experience of working with the materials.
- To understand the transfer of forces and learn basic design of structures using timber.
- To use timber in an efficient way and learn joineries in timber.

C. METHODOLOGY -

- The students will be divided in Groups of 10 and they will compete on the basis of their designs addressing the above intent.

STAGE 1 : ART OF SEEING - Study of Timber as a material, its structural behaviour and joineries.

STAGE 2 : CRAFT OF THINKING - Conceptualisation of the design of a COMMUNITY SPACE for the people of Lachung, Sikkim. In this process the students will be working with carpenters and fabricators and learn from their skill sets.

STAGE 3 : CULTURE OF MAKING - Learning construction by the act of making most of the joineries on 1 : 1 scale and a scaled model with proper structural logic.

Meraki Pavilion
27th December 2018 - 1st January 2019

Meraki is a greek word which means doing something with soul, creativity and love. When you put an essence of yourself in your creations.

Hello everyone,

Meraki 2018 - 19 is back as per the legacy. We, the enthusiasts are all geared up for the next installation to be built. As a tradition, the idea is to celebrate new year by exploring and shaping new material each time. The idea is to make every new year's eve count and nurture ourselves into better learners' and grow every year. This year we have tried to come up with an altogether new material and know its strengths and weaknesses. The entire aim is to take a step forward and understand what sustainability truly means. Exploration is a proof that we are alive and hence we are trying to live. We would like you to keep up with your curiosity and as per the ritual, we would introduce our intervention on the 1st of January 2019.

We hope that the PVPCOA family graces Meraki and celebrates its presence in the campus

"Team Meraki" is all geared up following the legacy of past two years and the tradition is to celebrate new year by exploring and shaping new material each time. The idea is to make each year count, nurture ourselves into better learners and grow together as a family. This year we have tried to explore a new material altogether to appreciate it's strengths and understand it's weaknesses. Exploration brings us together and it marks the culmination of year long collective efforts and dedication. As per the ritual, we will keep the curiosities alive, until the 1st of January 2020, when we will inaugurate our intervention! We hope that you will join the occasion and celebrate its presence in the campus.

MERAKI 2020

Meraki work will be carried out in small groups by students abiding the standard operating procedures in the current pandemic situation.

Continuing the Culture of Hands-on Exploration

Meraki is a learning process leading to demonstration. It is an opportunity to take the learning beyond classroom and the experience of handling the site. **This year we will be exploring a tensile structure with Bamboo as a building material.**

2nd, 3rd, 4th, 5th year B.Arch students come and join Meraki 2020!

- Meraki 2020 shall happen from:
 - Stage 1: Preparation (On Zoom lessons and on site) Friday, 25th December 2020 to Saturday, 2nd January 2021
 - Stage 2: Execution (On site) Sunday, 3rd January 2021 to Saturday, 9th January 2021
- The maximum number of participants is 40, subject to first come first serve basis.
- Food, Accommodation and Bus Facility for Stage 2 only:
 - The food (Breakfast + Lunch + Dinner) for all 40 students shall be provided free by the college. Participants need not pay for the food.
 - Accommodation shall be provided by the college at no cost at new PVPCoA Hostel at S.B. Road.
 - Free college bus for daily commuting to college from Hostel/Deccan and back shall be provided by the college to all the participants.
