Memorandum of Understanding

Between

ASIA UNITED ARCHITECTURE ASSOCIATION

And

PVP College of Architecture

This Memorandum of Understanding (MoU) is hereby made and entered into by and between Asia United Architecture Association, hereinafter referred to as "AUA", and, PVP College of Architecture, hereinafter referred to as "PVP".

1. PURPOSE

The purpose of this MoU is to set for the terms and understanding between AUA and PVP to promote their co-operation in the Asian Contest of Architectural Rookie's Award.

2. BACKGROUND

The purpose of AUA Association is, by means of pairing education with practice in architectural design, to conduct business creating platform on which Asian countries can achieve sustained growth and development together through creative cultural collaborations, which will establish a rich network associated with Asian architecture and encourage mobility among students, architects, educators, researchers, business operators related with architectural design.

In order to activate and develop Asian architectural culture, AUA holds an annual architectural contest for the students (the Asian Contest of Architectural Rookie's Award), and various events related with architectural design. The contest allows the Agree on the purpose and scope of AUA and join a discussion about the development of architectural education in Asia.

3. MEMBERSHIP

PVP shall become a member of AUA EDUCATION, an education sector of AUA.

4. AUA SHALL:

- Host the Asian Contest of Architectural Rookie's Award.
- Coordinate domestic contests of each country.

5. PVP SHALL:

- Agree on the purpose and scope of AUA and join a discussion about the development of architectural education in Asia.
- Responsibly hold a domestic contest in India, and fairly select two national representatives for the Asian Contest of Architectural Rookie's Award.
- Agrees to the use of its name on the AUA website and the official Asian Contest of Architectural Rookie's Award website after signing the MoU.
- Cooperate on the organization of the domestic contest and the Asian Contest of Architectural Rookie's Award held in India.
- The national representatives' shall themselves cover the entire cost of travel to and from the country where the Asian Contest of Architectural Rookie's Award is held. The same clause has been added in the domestic competition which will ensure that the selected students will be able to fund themselves for their travel to the place of jury.

6. COMMENCEMENT, RENEWAL, TERMINATION

This MoU will be effective from the date of the last signature hereto and will remain in force for a time period of three (3) consecutive years, with a possibility for renewal at the end of the three-year-period, subject to the Parties' written agreement. Either Party may terminate this MoU by giving six (6) months' notice in writing to the other Party.

This MoU has been drawn up in two (2) original copies in the English language, each Party receiving one duly signed copy hereof .

Signed on behalf of AUA Association:

MEMORANDUM OF UNDERSTANDING BETWEEN
ISOLA (INDIAN SOCIETY OF LANDSCAPE ARCHITECTS)
AND
VIT'S PVP COLLEGE OF ARCHITECTURE, PUNE

This Memorandum of understanding (herein after referred to as MoU) is made on the 5th day of March Two thousand and Twenty between Indian Society of Landscape Architects, (herein after referred as ISOLA) on one part and, VIT's Padmabhshhan Dr Vasantdada Patil College of Architecture, Pune (herein after referred as PVP COA, Pune) on the other as collaborative institutions.

[Signatures]

WHEREAS ISOLA and PVPCOA,Pune, have agreed to carry out the Collaborative Partnership Programme, herein after referred to as the "MoU INITIATIVE ", jointly with diligence and efficiency as desired in this MoU and in conformity with appropriate administrative, financial and educational practices and to implement all such plans and activities and reforms as required for the Programme.

NOW, THEREFORE the ISOLA and PVPCOA,Pune agree to enter into collaboration between the two Institutions in terms of UNDERSTANDING here below.

1. OBJECTIVES FOR COLLABORATION

The objectives of the MoU are

- a. To help students in excelling in the subject of Landscape Architecture, by gaining professional and practical knowledge from practicing ISOLA members
- b. To jointly conduct design Studios, seminars, symposiums, training programmes, workshops keeping Landscape Architecture as focus including Architecture and related/ allied fields.
- c. To explore possibilities of research interactions/ exchanges amongst ISOLA research center and faculty / research center of institute.
- d. To develop learning resources, teaching aids etc. by carrying out experiments for 'educational' as well as 'research and development' purposes& development of profession in general
- e. To enable the exchange of data relevant for pursuing academic goals.
- f. To effectively share the human, intellectual and infrastructural resources for furthering the standard of education and profession in the field of Landscape Architecture.

2. IMPLEMENTATION AND MONITORING

For implementing and monitoring the Programmes envisaged and taken up from time to time under this

MoU, ISOLA and PVPCOA,Pune jointly agree to:

- a. The ISOLA through its Maharashtra chapter shall establish and authorize 'MOU Initiative committee' at PVPCOA,Pune which will be headed by one faculty member of that institute who shall be an ISOLA member.
- b. The ISOLA and PVPCOA,Pune will constitute coordination committees in addition to the MOU Initiative committee if required for consistent communication, monitoring of the activities and achieving the set targets. Committees will interact at least once in three months and review the progress.
- c. In case the activities envisaged under this MoU lead to / result in research findings suitable for publication, the credit will be shared equally. If the activities envisaged under this MoU result in the development of data base, suitable for patenting, then the Intellectual Property Rights (IPR) will rest equally with both the institutions.
- d. It is recommended that the Institute as part of the MoU undertakes the 'ISOLA Mentorship Programme' ; referred as ISOLA MP hereafter; minimum once in every two years in the form of interactive sessions, symposium or a workshop, towards achieving capacity building of the faculty members for imparting quality education in Landscape Architecture. It is also recommended for the institute which is seeking or in process of starting the master's course in landscape architecture, to enrol for the ISOLA MP before starting the course.

c. The institute will select a representative from their institute (preferable the coordinator/ Head of the Department who is responsible for the landscape architecture education in the respective institute), who is also an ISOLA member, as a one point contact for the ISOLA – education board. The name and the contact details of the representative will be conveyed to ISOLA by the institute as part of the MoU. This is to facilitate a continuous dialogue with the institute in order to fulfil the objectives of the MoU.

3. FINANCE

Regarding the financial arrangements during the implementation of the Programme, ISOLA and PVPCOA, Pune further agree as under:

- a. Both the institutes will engage services of the existing faculty and staff for carrying out the activities planned under this MoU. A self-volunteered initiative is expected.
- b. Both the institutes will utilize existing and agreed infrastructure and resources for carrying out the activities and share all necessary facilities available to make programme a success.
- c. Activities under this MoU are NOT for fund raising. Expenses necessary for accomplishing this purpose shall be incurred by ISOLA and Institute respectively without any claims made to the other side.

4. INDEMNITY

Both parties hereby indemnify and undertake to keep indemnified and protected the other party and their respective officers and employees from and against any claims or actions arising out of or in any way relating to the provision and implementation of the Programme as per this MoU.

5. DURATION

This MoU will be valid for a period of TWO years from the date of this MoU subject to periodic revision and/or extension.

6. AGREEMENT

The two signatories of this MoU, viz., the ISOLA PRESIDENT and Principal of College of Architecture in case of B.Arch course (in case where there is no Masters Course in Landscape Architecture) / Head of the Landscape Architecture Department (in case where there is a Masters course in Landscape Architecture) PVPCOA, Pune agree to act in good faith and in a spirit of mutual understanding to facilitate the achievement of objectives set under the Programme.

IN WITNESS WHEREOF the parties here to have caused this MoU to be signed in their respective names as of the day and year.

Memorandum of Understanding

Between

MKSSS's Dr. B N College of Architecture for Women, Pune

and

Vivekanand Institute of Technology's Padmabhushan Dr. Vasantdada Patil College of Architecture, Pune

This Memorandum of Understanding (MOU) sets the terms and understanding between MKSSS's Dr. B N College of Architecture for Women, Pune, henceforth referred to as BNCA and Vivekanand Institute of Technology's Padmabhushan Dr. Vasantdada Patil College of Architecture, Pune; henceforth referred to as PVPCoA for shared quality initiatives and exchange in the field of Architectural Education.

Background

Both the partner institutes; BNCA and PVPCoA, are premier institutes in the field of Architectural Education. Both the parties are of the opinion that a formal partnership for improving quality of Teaching and learning Architecture will be mutually beneficial.

Purpose

This MOU is being signed by BNCA and PVPCoA for the following objectives

- Sharing of best practices related to any aspect of Teaching and learning Architecture.
- Organising joint Faculty Development Programs
- Formulating and working on joint projects for innovations in teaching and learning Architecture

The outcome of any such initiatives (reference material, assignments, videos, presentations etc.) may be used by either party for any non-commercial / educational purpose with due acknowledgements.

This MOU is not a commitment of funds in any manner. The financial responsibilities of any joint program will be suitably worked out by both the parties as per the program needs.

Duration

This MOU is at-will and may be modified by mutual consent of authorized officials from BNCA and PVPCoA. This MOU shall become effective upon signature by the authorized officials from BNCA and PVPCoA and will remain in effect until modified or terminated by any one of the partners by mutual consent. In the absence of mutual agreement by the authorized officials from BNCA and PVPCoA, this MOU shall end on 15 March 2025.

1. Scope of Work

1. Water Audit

- Study of Water Source
- Study of Single Line Diagram of Water Usage
- Study of Overhead Water Tanks:
- Estimation of Per Capita Water Consumption: Based on Field Study
- Study of Rain Water Harvesting
- Study of Water Parameters : TDS and pH of Raw Water
-

2. Indoor Environmental study:

- Study of Various Parameters like: Air Quality Index (AQI), Particulate Matter – PM 2.5 and PM 10 at various locations indoor and outdoor
- Study of Lux Level at various locations of typical spaces in the buildings
- Study of thermal comfort parameters at various locations in the building
- Study of Noise level at various locations indoor and outdoor

3. Waste:

- survey of a facility's regular waste stream
- Study the effectiveness of your operations

4. Transport

- Study of commuting practices in college

5. Electricity Consumption

- To study electrical energy metering, monitoring and control systems existing and to recommend a suitable system for future monitoring.
- To study monthly consumption of campus

6. Renewable Energy Consumption

- Study of Renewable energy system and consumption

7. Studying existing landscape and studying overall environmental impact of trees and tree cover on site.

NOTE- After individual analysis of all aspects, overall recommendations on each aspect as required will be given. As part of the deliverables.

3 CONSULTANCY FEES

Scope of Work	Fees (INR)
Environmental Audit	40,000/-

Note: Following additional charges need to be paid as per actual and as required.

4 PAYMENT STAGES FOR CERTIFICATION

Advance 50%

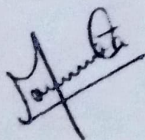

After final Report Submission 50%

5 Terms and Conditions

1. Fees quoted are exclusive of GST and will be applicable at **18%** on the quoted fees.
2. Payment to be issued in the name of Sprout.
3. Any information / documentation shared between the concerned parties will be treated confidential.
4. The fee quoted does not include certification authority charges any other additional charges than the ones mentioned above.
5. The fees structure agreed upon will be valid for 6 months from the date of appointment.
6. The proposal is inclusive of any service listed amongst the scope of the proposal for upto 1 year after report submission.

Please confirm the acceptance and agreement of this proposal by countersigning the proposal & return it to Sprout
